## What is the Savings Sidekick Omaha Coupon Book?

- An Omaha area specific coupon book filled with amazing discounts on restaurants, entertainment, goods & services and even gas. It is a great coupon book full of value!
- You sell individual books for \$20 each. It is easy to sell a lot of books because it is something people are happy to buy to support your activities. In this tight economy, it is the one fundraising product that people actually want to buy!
- **You keep \$10 of each book sold** - far more than most other fundraising programs. It is easy to quickly raise hundreds of dollars with our fundraising program.

## How does it work?

- **Come to Omaha Sports Academy on Sunday, April 11th at 7:15 PM or 9:15 PM or Tuesday April 13th at 6:00 PM to hear the presentation and check out your books.** Pay nothing up front! You will only pay for the books you actually sell after they are sold. Unsold books can be returned.
- Check out additional books and pay for books sold at Omaha Sports Academy any time at the OSA front desk.
- **Return all books and make final payment to your OSA account before June 6th.**
- Make checks payable to "OSA" for \$20 for each book sold. Your OSA account will be credited with \$10 per book for each book sold or it can be returned back to you in cash.

## How do I sell the books?

- Make sure that you let people know all the information about your team and the book. The sample selling script below is a good place to start when you are talking to people about buying the book.
